

## Ladner Exploration Assistant – 2023 Field Season

### Company Overview

Talisker Resources Ltd. (Talisker) is a resource company that is engaged in the exploration and development of mineral properties in British Columbia. Talisker has a large exploration team focused on properties comprising 291,339 hectares over 322 claims, six leases, and 181 crown grant claims in south-western British Columbia. This includes the Ladner Project located 150km east of Vancouver, BC and 18km from Hope, BC.

### Why work with us?

Talisker is led by one of the most experienced and successful exploration, leadership teams and boards in the business. This team has been together since the early 2000s and has a clear vision of what it takes to be successful in resource exploration and development and has the experience and knowledge to execute that vision.

Staff describe the company culture in terms of being a positive, collaborative environment with these commonalities:

- “A great team to work with”
- “A respectful, flexible and helpful environment”
- “Supportive atmosphere”
- “Everyone has a strong commitment to our company culture, Environmental Initiatives and Indigenous Engagement Policy”

Talisker is an equal opportunity employer committed to employment equity and foster a work culture that supports personal and professional development and training. We strive to hire locally and from our neighboring Indigenous communities. Please let us know if you are from the area in your cover letter.

Please visit our website to review our commitment to Environmental Initiatives and Indigenous Engagement:
